Player Age Categories: Wisconsin Youth Soccer Association (WYSA) dictates to ICYSA their team age category date ranges. To purchase player liability coverage through WYSA, ICYSA must comply with these date restrictions. Birth dates for the 2009-2010 season are listed in the players’ section of the registration form. Players may ‘play up’ to an older age category at the discretion of their parents. However, a player can only ‘play down’ to an age category if they are playing with their class mates (are in the same grade).

Who, When, Where: All Iowa County, Wisconsin boys and girls over 3 years old and under 14 years old as of August 1, 2009 are eligible and welcome to participate. Recreation League games are played on Saturdays starting in early April and end on or before June 5th at Harris Park. The last two or three weeks of the season there may be evening games scheduled during the week.

Registration Form: Player Information, Liability and Medical Release: A player’s parent or legal guardian must complete a registration form for each player for each program. All registration form sections must be completed. Parents/Guardians must sign and date the release of liability section on the bottom of the registration form.

Each player must have a completed registration form and Liability Release on file with the Iowa County Youth Soccer Association in order to participate in practices and games. There are no exceptions to this rule due to liability concerns.

Refund Policy: All requests for registration fee refunds must be made in writing and mailed to ICYSA, PO Box 84, Dodgeville, WI 53533. A \$25 non-refundable per family fee will be deducted from any player registration refund issued. This fee covers the initial cost of registering the player(s). An additional \$20 per player fee will be deducted from any player registration refund request if the player uniform has been ordered.

Player Equipment: Each child must wear approved shin guards to all practices and games and must bring their own soccer ball to all practices. ICYSA recommends, but does not require, players also bring soccer shoes and a mouth guard to games and practices.

Team Draft: Players for the rec league will be assigned to teams by a computer drafting program with the same ratio of boys and girls assigned to each co-ed team on a random basis. Team rosters for the rec league will be available for coaches at the coaches meeting. Meeting date and time has yet to be determined. Siblings in the same age category will be assigned to the same team. Sorry, but we cannot accept special requests.
